

Login interface :

The login interface features a white card on a dark blue background with a network pattern. On the left, a graphic shows a white airplane with blue accents flying over a blue and white globe. On the right, the text "log into your account:" is above a "User Name" field containing "KLAISAIF" and a "Password" field with masked characters. Below these are "Login" and "Sign Up" buttons. A link "You don't have account?" is above the "Sign Up" button. At the bottom right, a Windows watermark reads "Activer Windows" and "Accédez aux paramètres pour activer Windows."

Sign up interface :

The sign up interface is a dark grey card on a background of a world map with glowing blue lines. The title "Sign Up" is at the top. The form includes fields for "First Name:", "Last Name:", "Username:" (containing "adminsaiif"), "CIN:", "Passport Number:", "Gender:" (with "Male" selected), "Password:" (masked), and "Repeat Password:". "Sign UP" and "Return" buttons are at the bottom. A footer contains social network links and a Windows watermark.

Reception interface :

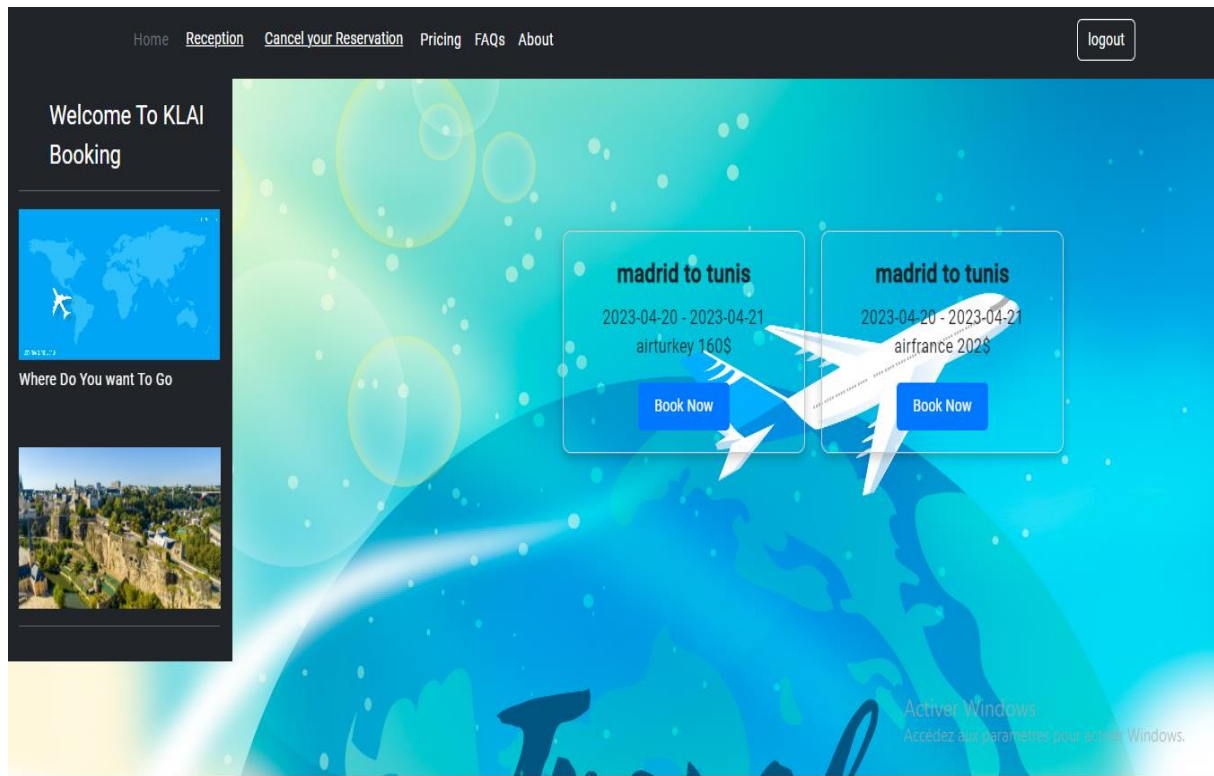

The screenshot shows the 'Reception' page of a flight booking website. The background is a high-angle view of a white commercial airplane flying over a blue body of water with some land visible in the distance. The sky is blue with scattered white clouds. In the top right corner, there is a 'logout' button. The navigation bar at the top includes links for 'Home', 'Reception', 'Cancel your Reservation', 'Pricing', 'FAQs', and 'About'. The main heading 'Reception' is centered above a white form box. The form contains the following fields: 'Departure' with a placeholder 'Enter departure loci', 'Destination' with a placeholder 'Enter destination lo', 'Departure Date' with a date input field showing 'jj/mm/aaaa' and a calendar icon, 'Arrival Date' with a date input field showing 'jj/mm/aaaa' and a calendar icon, and 'Number of Travelers' with a numeric input field showing '1'. A blue 'Search' button is at the bottom of the form. In the bottom right corner, there is a watermark that reads 'Activer Windows' and 'Accédez aux paramètres pour activer Windows.'

Cancel Reservation interface :

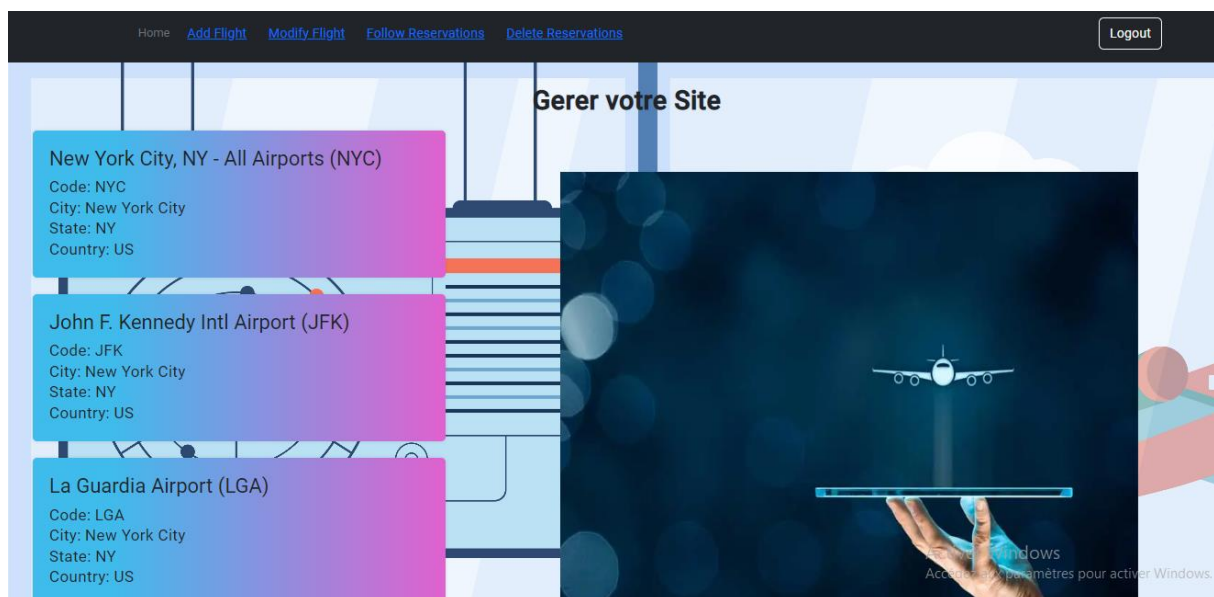

The screenshot shows the 'Cancel Reservation' page of the same flight booking website. The background is a view of an Iberia airplane flying over a body of water with mountains in the distance. The sky is blue with white clouds. In the top right corner, there is a 'logout' button. The navigation bar at the top includes links for 'Home', 'Reception', 'Cancel your Reservation', 'Pricing', 'FAQs', and 'About'. The main heading 'Cancel Reservation' is centered above a white form box. The form contains the following fields: 'CIN number:' with a text input field, and 'Passport number:' with a text input field. At the bottom of the form, there are two buttons: 'Cancel Reservation' and 'Return'. In the bottom right corner, there is a watermark that reads 'Activer Windows' and 'Accédez aux paramètres pour activer Windows.'

Admin interface :

Add Flight interface :

The 'Add Flight' interface features a dark navigation bar with links: Home, Add Flight, Modify Flight, Follow Reservations, and Delete Reservations, along with a Logout button. The main content area is titled 'ADD Flight' and contains a form with the following fields: Depart, Destination, Departure Date (with a calendar icon), Arrival Date (with a calendar icon), ID Vol, ID Voyage, ID avion, nomsociete, and capacite. An 'ADD' button is positioned at the bottom left of the form. The background is a stylized illustration of an airport terminal with a large window showing a red and blue airplane flying over a city skyline. In the foreground, there are two computer monitors displaying flight-related data and a person wearing a headset.

Depart:	Destination:
<input type="text"/>	<input type="text"/>
Departure Date:	Arrival Date:
<input type="text" value="jj/mm/aaaa"/>	<input type="text" value="jj/mm/aaaa"/>
ID Vol:	ID Voyage:
<input type="text"/>	<input type="text"/>
ID avion:	nomsociete:
<input type="text"/>	<input type="text"/>
capacite:	
<input type="text"/>	

ADD

Modify Flight interface :

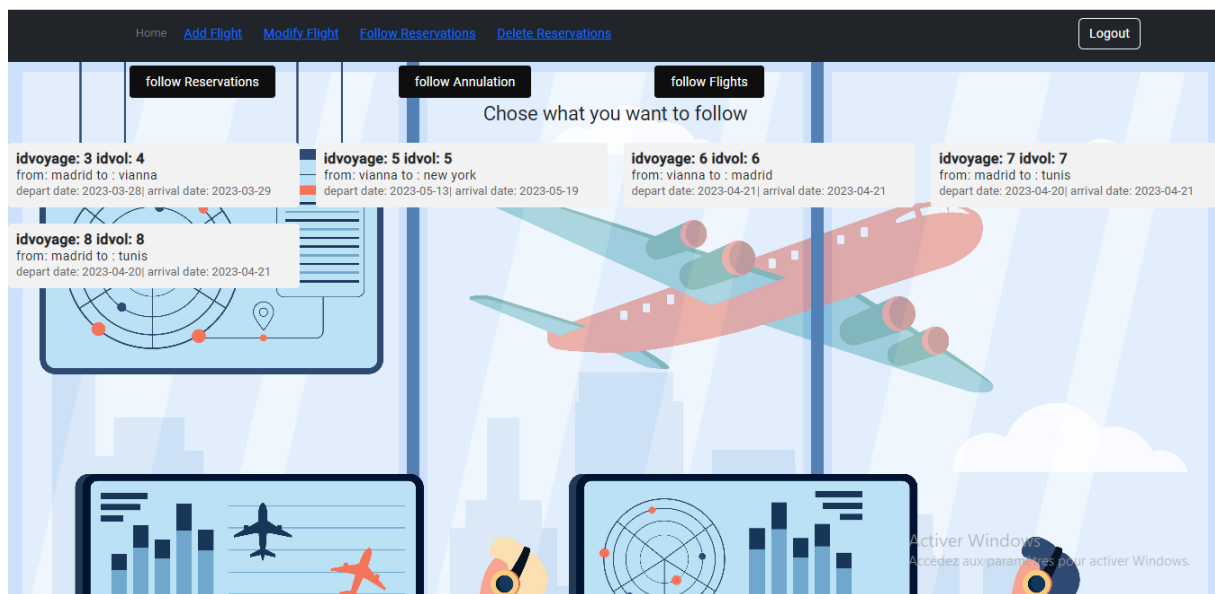

The 'Modify Flight' interface is similar to the 'Add Flight' interface, featuring the same navigation bar and background illustration. The main content area is titled 'Modify Flight' and contains a form with the following fields: Depart, Destination, Departure Date (with a calendar icon), Arrival Date (with a calendar icon), ID Vol, and Voyage. A 'Modify' button is positioned at the bottom left of the form. The background illustration is identical to the 'Add Flight' interface, showing an airport terminal with a large window, a red and blue airplane, and two computer monitors.

Depart:	Destination:
<input type="text"/>	<input type="text"/>
Departure Date:	Arrival Date:
<input type="text" value="jj/mm/aaaa"/>	<input type="text" value="jj/mm/aaaa"/>
ID Vol:	Voyage:
<input type="text"/>	<input type="text"/>
